

Installation order

The Clarity programs share the same core software components but various enhancements have been made in recent releases. To ensure that you have the latest version, you should install Clarity programs in the following order:

- It's Your Job (CD-138A)
- Business Writing (CD-110A)
- Author Plus (CD-101B)
- Clear Pronunciation (CD-139B)
- Active Reading (CD-133D)
- English for Hotel Staff (CD-140A)
- Tense Buster V9 (CD-109D)
- Study Skills Success V9 (CD-149A)
- Clear Pronunciation 2 (CD-150A)
- Clear English Success (CD-137C)
- Results Manager V2 (CD-102A)
- Results Manager V3
- Road to IELTS 2 (CD-152B)

Clarity programs that are not listed above are not compatible with the common software components. These programs need to be installed in a different directory on your computer. These include:

- My Canada (CD-120B)
- Peacekeeper (CD-134A)
- Customer Service Communication Skills (CD-135A)
- Other Clarity programs, such as MindGame

Installation process

Each CD has its own installation instructions, please follow them. In order to share a user database, the programs must be installed into the same top-level folder. Please also use the same 'large/advanced' or 'small' network installation for all the CDs if you are given a choice.
