

Teacher Support: Active Listening in English

Getting to know Active Listening in English

1. How do you access this program on your setup?

.....
.....

2. How many units are there, and how many exercises in each unit?

.....
.....

3. Look at Unit 1, Listening for Information. What are the topics in exercises 1, 2 and 3?

.....
.....

4. There are four different types of listening exercise. Give a brief description of the learning objective of each type.

.....
.....
.....
.....

5. When can you see the text and listen to it at the same time?

.....
.....

6. In Unit 1, Note-taking, how do you get spelling help?

.....
.....

7. How can a student check their score?

.....
.....

8. Active Listening in English is described as "Pre-intermediate". Is this an accurate description for your students? For which of your students would it be particularly useful?

.....
.....
