

This two-disk set contains 20 units of topics which are ideal for students who want to practise their listening skills.

There is a quiz to test students' comprehension skills and a recording facility for them to perfect their pronunciation. A teacher's records facility enables teachers to track the activity and scores of their students.

The quality of the graphics and sound is excellent and the TV quiz format is highly motivating for students. The listening practice includes:

- Conversation
- Eating
- Travelling
- In the park
- At home
- At work
- Places
- On the beach ... and more!

Language Areas
