Five quick quotes from the educational press...

Tense Buster is well thought-out, motivating and systematic in its approach.

IATEFL Newsletter

Recommended to institutions that place a premium on tutoring courseware.

Modern EnglishTeacher

Tense Buster is very popular with students, attractive and easy to use.

British Council Network News

The learner training elements of the course are extremely worthy in that they encourage learners to reflect on why they are learning, how they can help themselves, and how much time they can/will spend on the given grammar area.

TESL-EJ

The Bottom Line: Tense Buster will be a good addition to the collection of academic and public libraries that count non-native English speakers and their instructors among their patrons.

Western Springs College

I have been very pleased with the way that Tense Buster has both motivated students generally, as they are all keen to use computers, and also helped them to develop their grammatical awareness.

Mary Osmaston

Blackburn College

Tense Buster is a very practical product. The exercises are of interest to a wide range of students and can be used in a variety of contexts. They are useful both in class and for self-access use.
